## OBLIQUE LEG TABLES - 71"W x 30"D x 41"H

41"H-BLACK

28.5"H-SILVER

These oblique metal legs will bring both style and durability to your customizable drafting or multi-purpose table. Coming in either black or silver, these legs offer a clean, neutral, and sleek base for your table. The 41" high legs bring your worksurface at the optimal position working with your architectural drawings, and 28.5" high ones are used for standard desk height.

## OBLIQUE LEG DESKS WITH MIXED STORAGE - 60"Wx30"Dx29"H

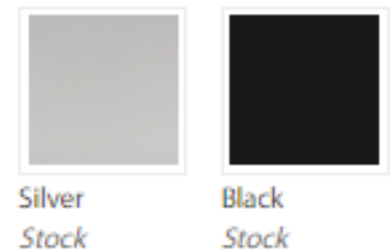

The mixed storage cabinet will add a valuable dimension to your storage needs, as it comes with two box drawers and one vertical file drawer all over a lateral file drawer. This lateral file is a result of highly engineered construction. This combo lateral file is a must have, as it is made from high quality wood and comes in your choice of eight different finishes.

This Blow Molded Folding Table is strong, durable and lightweight. Perfect for indoor or outdoor use, it is constructed of durable plastic that will not chip, crack or warp. Surface resists stains and cleans with mild dish soap. Legs and support structure are powder coated heavy gauge. The tables are 40% lighter than comparable wood tables.

The Blow Molded Folding rectangular table is useful in a variety of settings that include banquet halls, conference centers, cafeterias, schools and in the home. Its features include a surface constructed of durable plastic and powder-coated wishbone legs that are easy to fold. When the table is not in use, a spring clip will lock the table legs in a folded position for quick and easy storage. This table is commercial grade to withstand everyday use in the harsh surroundings of a construction site. Commercial grade folding table

## **SEATING**

### **BREMBO STACKING CHAIR**

Chrome Finished Steel Frame Stack Chair

#### **COLORS & MATERIALS:**

Available in Classic Black that can easily match existing home, office, or lobby decor, this light weight yet remarkably sturdy chair is constructed with a stout chrome frame steel frame that can comfortably withstand the weight of individuals of both large and small statures and contend with the wear and tear of daily use.

#### **CERTIFICATIONS & WARRANTY:**

These office waiting room chairs have 2 year warranty for all non-moving metal parts and 1 year warranty on component parts including: control mechanisms, pneumatic cylinders, wood, plastic parts, base and casters. The upholstery has 1 year fabric and foam warranty against wear and deterioration. Leather is not warranted against routine scratching and scuffing as all leather is subject to minor blemishes in use.
